SYMPOSIUM

Lisbon, November 2-3 2017

Prize “Cátedra Luis de Camoens UC3M” to the best presentation given by a Young researcher

BASES

1. The Catedra Luis de Camoens de la Universidad Carlos III de Madrid organizes a competition for Best Young Researcher Presentation given at the Symposium on Big Data in Finance, Retail and Commerce in Lisbon. The corresponding author of the best presentation will be awarded a prize of 500 EURO.

2. General Guidelines and Eligibility

Participants, in order to be eligible for the Prize, must meet the following requirements:

2.1 Not having reached the age of 35 on December 31, 2017, credited with a copy of the ID card.(*)

2.2. The author must be developing a postgraduate training activity in a teaching center, research center, institution or company.

This condition must be documented by the presentation of the corresponding certificate issued by the entity where the training activity is being carried out.

2.3 Being the presenting author.

2.4 To be registered in the symposium and to present orally the communication in one of the sessions of the symposium.

2.5 Submission of a communication is held to imply that it is original and based on unpublished work.

(*). Portuguese participants are not required to send a copy of their ID card since it is forbidden in Portugal.

3. Registration

Submit via the symposium website. In the email submission, please adhere to the following:

3.1 Provide the full name of the presenting author.

3.2 Attach communication title and full text.

3.3 Authors should submit their communication to symposiumbigdata2017@gmail.com, no later than October 15th. The email submission should refer in the subject line "Premio Cátedra Luis Camoens"

4. Prize Committee

4.1 The Prize Committee consists of five members who are appointed by the President of the Local Organizing Committee and the President of the Scientific Committee.

4.2 Members of the Prize Committee will attend contestants' presentations. Presentations will be judged on the following criteria: scientific content, standard of presentation and handling of questions.

5. Prize

5.1 The corresponding author of the best presentation will be awarded a prize of 500 EURO.

5.2 The Prize Committee announces the winning presentation during the closing ceremony.

Important: the Prize may not be awarded

6. Acceptance of competition's terms

6.1 Submitting a presentation to participate in this competition implies acceptance of these conditions and the decisions of the Prize Committee, which may not be appealed.

7. Protection of confidentiality and of intellectual property rights

7.1 The content of the presentations, as well as all the data and documentation provided, will be absolutely confidential and of restricted access, and as such will be treated both by the organizers of the symposium and by the Prize Committee.
